

# BRASS BAND

Internationale Fachnews für Brass Bands und Blechbläser

Dezember/Januar 2020

A portrait of Alexander Richter, a man with reddish hair and glasses, wearing a black suit and a red patterned tie. He is holding a brass instrument, likely a trombone, with both hands. The background shows a large window with a grid pattern, suggesting an office or rehearsal space. The lighting is bright, coming from the window.

## Alexander Richter

ein Leben für den besonderen Klang
